Instructions

All our prices include delivery to mainland D.I.Y flasks. We can ship the semen direct to your farm or your local AI service technician Please Note : Non D.I.Y customers will incur a £2.00 handling charge from the technician service which will passed on to the purchaser of the semen. **Minimum Order** Any orders under 25 straws will carry an additional carriage charge of £25. Orders with destinations to remote areas may incur an additional service charge. You will be immediately notified of any such charge and your acceptance will be required before your order can be processed.
